Dear Pete:

Throughout 2016, this firm has earned a spot as one of the most elite contractors in the nation thanks to a commitment to long-term roofing system performance and high quality workmanship. Therefore, Firestone Building Products is pleased to present Korellis Roofing Inc. with the 2017 Silver Master Contractor and Inner Circle of Quality awards, which are among the commercial roofing industry's most distinguished honors.

The annual Master Contractor Program honors top Firestone Building Products Red Shield™ Licensed Roofing Contractors for excellence in roofing system installation, quality of work and customer service. This year holds a special distinction, as 2017 commemorates the 30th anniversary of the Master Contractor Program.

Korellis Roofing Inc. has achieved this designation by meeting requirements for total square footage installed; outstanding inspection ratings on materials covered by the Red Shield™ Warranty; and the number of completed Red Shield warranted jobs.

The Silver Master Contractor award represents contractors who have mastered quality commercial roofing solutions and who exemplify the hard work, determination and entrepreneurial leadership that defines Firestone Building Products.

Korellis Roofing Inc. also earned the esteemed Firestone Building Products Inner Circle of Quality award. This award recognizes an elite group of Master Contractors who installed a minimum of eight warranted Firestone Building Products roofing systems each in 2014, 2015 and 2016; and four warranted roofs per year for each of the prior three years. They were also required to maintain at least 2 million square feet of Firestone Building Products roofs under warranty and achieve an annual Quality Incidence Rating (QIR) of 1.0 or less.

On behalf of Firestone Building Products, I congratulate Korellis Roofing Inc. on a successful 2016. The firm demonstrates a commitment to excellence and has upheld our high commercial roofing standards. We are pleased to recognize Korellis Roofing Inc. as a Silver Master Contractor and Inner Circle of Quality award winner, and look forward to continuing our partnership to provide superior building performance solutions in 2017 and beyond.

Sincerely,

Firestone
